Dear Sir/Madam

Please take a few moments to provide your response to a survey questionnaire on your experience and learning during the learning cycle. These responses will help us evaluate the effectiveness of the learning cycle and make improvements for future implementations. Any information that you provide will be kept strictly confidential and will not be shown to other people. The information that you provide during the discussion will be presented together with answers from other participants so that you cannot be identified. The discussion is voluntary and you are free to choose not to answer any or all of the questions, or to leave the discussion at any time.

Thank you for your participation.
